

Fourth Plenum readout: "Opening up" elevated among China's key policy priorities

Source: Sinolytics research based on CPC plenary communiqués

Weekly Facts & Figures.

- **Plenum focus:** The Fourth Plenum set priorities for the 15th Five-Year Plan, defining and ranking 12 key policy tasks.
- **Priority shift:** “Opening up” rose from 9th (2020) to 5th (2025).
- **Policy signal:** Beijing renews its push for global engagement to attract investment and stabilize trade.

What This Means.

“Re-ranking ‘Opening up’ reflects a pragmatic shift: China needs the global economy to sustain its growth.”
